

# **NATIONAL SERVICE SCHEME**

## **Motto --- Not Me But You**

National Service Scheme is a golden opportunity for our college students through which they join and do service work for the country and community. B.Ed students of our Rambha College of Education are also included in the NSS unit..

Bhursadih village has been adopted by the NSS unit of our college. From time to time we go there and make the people of that village aware about education, health and the feeling of community. Our aim is to make our students through NSS not only a good teacher but also a responsible citizen who can do commendable work for his community and his country after getting the result of B.Ed.

### **Programme officers:**

**Unit – I : Dr Bhupesh Chand**

**ENROLEMENT :** As a rule students having genuine interest in social service are selected and enrolled in NSS. As the Scheme is based on voluntary service so students are free to join this. Selection of students made by NSS Programme Officer Dr. Bhupesh Chand.

## **Objectives:**

The N.S.S. aims at the active involvement and participation of students in the community serviced while they do B.Ed in the college. The major objective of N.S.S. are to promote student's social consciousness and provide them the opportunities to devote their leisure to the service of the nation to work among the people to understand through direct experience the realities of social life, to develop a spirit of fellow-feeling and service to the needy to put into use the knowledge and the skills gained in the classroom for the practical solution of social problems, to understand and accept the dignity of labour and to inculcate in the students a sense of patriotism, communal harmony and national unity.
